All physicians in this section are paid consultants for LifeCell Corporation.

Important Information: Every patient is different and their reconstruction options and their results may vary. All depictions on the site are for illustration purposes only. Whether or not you have breast reconstruction is a decision you need to make in consultation with your physician. Only you and your physician can determine the best option for you. Please ask your doctor to explain the benefits and risk of various reconstruction options and whether they are right for you.
